Preparations in advance – mandatory for all World Cup events:

1. **Read the FIS Covid-19 Prevention guidelines**
Available on <https://www.fis-ski.com/en/inside-fis/covid-19-hub>
2. **Register to the FIS Passport**
 - register on <https://fispassport.fis-ski.com/fis/> use access code: FIS2022
 - apply to the respective event
 - fill in all required information
3. **Read the full LOC Health Protocol, available in the event download section**
Plan your PCR tests prior departure and upload the result to the FIS Passport.
The PCR Test is mandatory for everyone - also for vaccinated and previously infected persons!

Arrival to Estonia:

1. **For entry into Estonia**, unvaccinated persons are required to have a valid PCR negative test. For vaccinated person's entry is unrestricted.
2. **The traveler's questionnaire** for the prevention of the spread of Covid-19 must be completed prior to arrival in Estonia. This can be done three days before arrival in <https://iseteenindus.terviseamet.ee/>

Needed documents for accreditation:

1. **PCR testing is mandatory.** The PCR test must not have been performed earlier than 72 hours before accreditation.
2. **The result of the PCR test must be uploaded to the FIS passport.**
3. **Complete Health Questionnaire.**

Procedure in case of illness symptoms or positive result on site

1. **Having any symptoms of illness**, it is necessary to inform about it immediately to LOC Covid-19 responsible.
2. LOC Covid-19 Health Coordinator will organize testing and other activities regarding participant illness and reporting policy.
3. Contact tracing according to Estonian national regulations applies to all participants in the field of play.
