## 8. Regulations of radio equipment/ Radio frequencies

Short-term frequency assignment

Every frequency used in Germany needs a frequency assignment pursuant to the German Telecommunications Act (Telekommunikationsgesetz - TKG). Where no general frequency assignment has been issued, the Bundesnetzagentur will make individual assignments. If frequencies are to be used for a short term only, eg for motor races, sports events, concerts and trade fairs, assignments are issued in a simplified procedure as short-term frequency assignments. These are issued for a maximum period of 30 days.
