LES PORTES DU SOLEIL

WELCOME TO

hautesavoie

le Département

We are very happy to welcome you to Haute-Savoie, France
In the heart of the *Portes Du Soleil* area.

We hope you will enjoy your time here!

For more than 20 years, in the Portes du Soleil, we have lived a true history of alpine skiing, having also been the setting for World Cup races.

That's why we've selected 5 Portes du Soleil ski resorts to host this major championship in 2024. We've chosen the best competition slopes without taking into account the work involved, preparing 5 competition venues and training venues to be at your disposal.

Morzine, in the heart of the Portes du Soleil, will be the nerve center for accommodation, ceremonies, ski-rooms and meetings. It was here, in Morzine, that Jean Vuarnet was born – 1960 Olympic champion who invented "l'oeuf" (the egg position).

We're going to do everything we can to welcome you in the best possible conditions. Haute-Savoie will be your playground, and we're very proud to welcome you.
See you in 2024.

Nicolas RUBIN
The President of the Mayors of Haute-Savoie
